The American Shorthorn Breeders' Association is making an offer to prepay up to a maximum of \$200.00 on any carload of animals including ten lots or more purchased in this sale billed to one destination. You can buy with confidence in ILLINOIS. This picture was taken in the pasture at Marellbar Farms, consignors to this sale.

## You Can Get BETTER CATTLE and BETTER VALUES in Illinois

Do you want to make an interesting trip . . . one that will enable you to visit two great State Universities as well as to inspect 120 head of top cattle consigned from the best herds in two great Shorthorn cattle states? If so, attend the **Indiana Shorthorn Breeders' Ass'n. Show and Sale** on October 26th and the **Illinois Shorthorn Breeders' Ass'n. Show and Sale** on October 27th. The former event will be held at **Purdue University**, Lafayette, Indiana and the latter event will be held at the **University of Illinois**, Urbana, Illinois. The two events are only 80 miles apart. Plenty of transportation will be available for those who do not drive their own cars. Doesn't this sound like an interesting and profitable two day trip?

What could be more profitable or satisfactory than to produce calves like these on your farm? Shorthorn calves have the inherent ability to mature earlier and fatten more rapidly than the calves of any other breed. The above picture was taken at Marellbar Farms, consignor to this sale.

## A Message from the President and Sale Manager . . .

The Illinois Shorthorn Breeders' Association is the largest and liveliest state organization of Shorthorn cattle breeders in the country. Its members are progressive in the methods of conducting their own herds and equally progressive in the cooperative effort of boosting the breed in this great agricultural state.

The 58 cattle that are to be sold in this sale were literally drafted from the herds of 24 highly respected Illinois breeders. All could have been sold easily at private treaty but these loyal members of the **Illinois Shorthorn Breeders' Association** have held them for this Illinois State Sale. There will be 19 bulls in the sale and they have been accepted only because of their ability to improve the herd of all who are fortunate enough to buy them. The 39 females are a perfectly beautiful lot, capable of working improvement wherever they go. To all who are in the market for good seed stock we say "Buy in Illinois . . . in this sale." We are proud to present these cattle in the name of the Illinois Shorthorn Breeders' Association and it is our firm belief that every animal in the offering is bred to reproduce unfailingly.

OTIS A. CARTER, President

HAL LONGLEY, Sale Manager

**Braedoon's Favorite**—A dark roan bull sired by Braedoon Aristocrat. This calf was picked by Hal Longley and Clinton Tomson as the bull they wanted consigned to the Illinois State Sale, an outstanding bull by Braedoon Aristocrat. He is dark red, has a beautiful head and horns, a wonderful tail setting, full back, good heart and a perfect underline. His mother is dark red, his granddam and great granddam are dark red . . . his sire is dark . . . in fact, you must see this bull to really appreciate him.

Browndale Prince, photo taken as a calf. This son of the Perth champion Imp. Calrossie Prince Peter is now a proven sire of top calves in the herd of Paul Halbersleben. Lot 9 is one of his sons.

Achtoi Marquis—This is one of the best of our present crop of bull calves. He has a good head, is short legged, deep, thick, smooth and very modern in type. We call this a perfect pedigree . . . sired by Imp. Cruggleton Achtoi and out of a red imported dam.

The best Shorthorn cows invariably make the best mothers. This beautiful matron at Marellbar Farms, Libertyville, Ill., cannot be faulted as a beef animal, and she has the good udder and the matronly appearance of a cow that will produce a grand calf and take care of it to maturity. Her name is Lovely Gwendoline and she is the granddam of Lot. 14.

He is out of an outstanding cow, the dam of the heifer that topped our 1941 sale going to Mr. Sims at \$1,525. His sire is one of Imp. Craggleton Achtoi's best sons. We believe this bull to be one of the outstanding herd bull prospects to be sold this year.

### 19 "DRAFTED" BULLS

Every one of them could have been sold many times at private treaty . . . they're the kind that are in great demand . . . but these loyal breeders saved these bulls for this sale . . . and into this sale they go on October 27th as a means of proving to the whole world that real herd bull strength is to be found in Illinois. No matter which one of the nineteen you select, you will secure a grand individual, and a future great sire . . . and he will be a son of a sire that is now making history. Buy your next herd bull in Illinois . . . in this sale!

### 39 "DRAFTED" FEMALES

We asked each breeder to consign only those females that he wanted most of all to keep . . . we urged them to help us make this sale offering a real "Show Window" for the breed in this leading Shorthorn cattle state. Did they respond? Come to Urbana on October 27th and see for yourself! You can make selections from 39 females that will meet your highest approval. Ann are of "Twentieth Century" type . . . all are sired by history making stock bulls . . . all are bred to reproduce unfailingly. Illinois breeders may well feel proud of this great sale offering.
